

DEAR ADVERTISER

Sky Blue Radio is one of the world's only 24-hour, 7 days per week, Aviation and Flight Simulation station. In continuous operation since 2007, the station has been featured in 'Air and Space' Magazine and many other reputable sites and organizations. After 14 years of steady growth, we are now a trusted name in aviation radio for news and product reviews. We can help you promote your business or organization to our 6.1 million-strong* unique listener base.

** total unique listeners January—December inclusive 2021*

Our Key Performance Indicators

- ⇒ 6.1 million unique listeners* primarily in The United States, Brazil, France, India, Canada, Germany and The United Kingdom
- ⇒ 5,000 website visits per week for our news
- ⇒ 17,000 active followers on social media
